

CONSENT TO PARTICIPATE IN SCIENTIFIC RESEARCH

Dance Perception

I understand that participation in the study is voluntary and that I can pause or stop taking part in the study at any time without giving a reason, and there will be no negative consequences for me. The research materials collected about me up to the point of pausing or stopping may still be used in the study.

By giving my consent I accept that data and materials will be collected from me as described in the information sheet.

By giving my consent to participate in this study: I consent to have my survey responses anonymously analyzed and published in scientific journals. My data may be shared within and outside the European Union.

I confirm that I will not participate in face-to-face data collection if I have flu symptoms, fever, am recovering from illness, or am feeling otherwise unwell.

I confirm that I have received the information sheet about the the content of the study, how it will be conducted and what it means in my part, as well as the privacy notice. I have also had the opportunity to ask the researchers further questions. I have therefore been adequately informed about the content of the study, how it will be conducted and what it means for me, as well as about the processing of my personal data which are processed on the basis of public interest as set out in the law.

I have had sufficient time to consider my participation in the study. I have not been pressured or tempted to take part in the research.

By clicking "I agree", I agree to participate in this study.
